CAREER OBJECTIVE

To obtain a retail or hospital pharmacist position and pursue a challenging career in the field of pharmacy that encourages learning and reactivity that provides exposure to new ideas and that stimulates personal and professional growth.

EXPERIENCE

I had worked as a **Pharmacist in Apollo Pharmacy at International Departures Terminal, Shamshabad Airport, Hyderabad.** (1st July 2019 to 04th Aug 2020).

- Counseled patients on prescription and over-the-counter medication, ensuring benefit of medication realized.
- Verified and dispensed prescriptions, guaranteeing quality products and services were provided to patients.
- Ensured compliance with all federal and state regulations, avoiding sanctions from the state board pharmacy.
- Communicated with medical staff on appropriateness of prescription drug order, ensuring patients received correct medication for correct medical condition.
- Counseled patients on Rx and OTC medications.
- Identified drug interactions, contraindications and medical errors from patients.
- Supervised pharmacy technicians, managed order entry and controlled the daily flow.
- Keeping the record of patients and prescription information in computer.
